ST. JOSEPH'S NEWS

CAFOD—CONNECT 2—PUENTECITOS

We have received news from Sarah at CAFOD Head Office who recently visited the Jesuit Development Service Team in Guaymango, El Salvador. and then went to visit Puentecitos. She says. "The photos and messages from St. Joseph's really helped people to understand what Connect2 El Salvador is trying to do. It gave CAFOD a human. personal face. and they loved the photos of the church and your parish activities. Your message that you "send them your love and prayers" was very moving for them-that even though they live in faraway place and live in humble conditions, they were important and valued by strangers on the other side of the world. By the time I had chance to speak, it was getting dark and we had just one tiny bulb to light up the church." "So I want to say a big thank you to St. Joseph's, because you have helped make Connect2 El Salvador meaningful and real for the people of Puentecitos. I sensed from them excitement, warmth, community and deep appreciation for what this contact means for them." A copy of the report, along with photos, from Puentecitos is on the notice board at the back of church so please take time to look at them. Please remember our brothers and sisters in Puentecitos in your prayers. Up to the 5th of July we have received £962 in donations (6months) if we do not get some large individual donations, as last year, we are going to fall far short of our financial commitment to the poor people of Puentecitos.
